The Light Solution is a Trading Name of LampShopOnline. Carrwood Park, Selby Road, Garforth, Leeds LS15 4LG

20 YEARS LIGHTING EXPERIENCE | UK WIDE SUPPORT | LEADING BRANDS

We are lighting specialists, based in West Yorkshire, UK, and are here to help solve your lighting problems!

Our manufacturing service, through our in-house factory, offers many additional services;

- Shatterproofing - including food safe across a range of tube sizes
- Emergency conversions
- Dimming conversions
- Sensor incorporation
- Product Refurbishment
- LED bespoke configuration - boards and LED ribbon available

At The Light Solution we have an extensive stock holding for next day delivery from leading manufacturers, such as GE, Philips, Osram, Sylvania, Crompton and Venture.

We also stock Control Gear and Emergency Lighting products from the following major brands: Tridonic, Helvar, Thorn, Mackwell, Orbik, BAG, Liteplan, Emergency Lighting Products (ELP)

If you can't see what you are looking for, but you know what you want, just call our dedicated sales team on 0113 224 4666 or use the Contact Us section of our website.
